

MICHIGAN LIFE & HEALTH INSURANCE GUARANTY ASSOCIATION

Guaranty Association Act

The Michigan Life & Health Insurance Guaranty Association Act, Chapter 77 of the Insurance Code of 1956, MCL 500.7701 to 500.7780, details the specific coverage, exemptions and limitations provided to certain policyholders. The general information provided by this summary or the MLHIGA web site does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of MLHIGA. For a definitive statement of the law governing MLHIGA, you must refer to the MLHIGA Act itself. If there is any inconsistency between this summary or the MLHIGA web site and any applicable law, then such law will control.

Coverage

Generally, individuals will be protected by MLHIGA if they reside in Michigan and own a life, health or annuity contract issued by a member insurer licensed in Michigan or if they reside in Michigan and are insured under a group life or health insurance contract issued by a member insurer licensed in Michigan. For owners of unallocated annuity contracts, coverage will be provided if the contract is issued in connection with a specific plan whose sponsor has its principal place of business in Michigan or if the individual is a resident of Michigan and the contract is issued in connection with a government lottery. For payees (or beneficiaries of deceased payees) of structured settlement annuities, coverage will be provided only if the payee is a resident of Michigan. In limited situations, coverage might also be available to certain non-residents.

You may find out if your insurance company is licensed in Michigan by contacting the Department of Insurance and Financial Services at P.O. Box 30220, Lansing, Michigan 48909-7720, telephone number (517) 284-8800 or 877-999-6442. Please be aware, although licensed in Michigan, policies issued by the following entities are not covered by MLHIGA: a nonprofit health care corporation, a health maintenance organization, a fraternal benefit society, a nonprofit dental care corporation (e.g. Delta Dental), a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, or an organization limited to the issuance of charitable gift annuities.

Protection can be provided in one of several different ways. For example, MLHIGA may provide coverage directly or a financially sound insurer may take over the troubled company's assets and policies and assume responsibilities for continuing coverage and paying covered claims. MLHIGA may also work with other state guaranty associations to develop an overall plan to provide protection for the failed insurer's policyholders. In any case, delays could be necessary to sort out the affairs of the financially troubled insurer.

Limits on Amount of Coverage

The MLHIGA Act limits the amount MLHIGA is obligated to cover for each insolvent company as follows:

- 1) MLHIGA cannot cover more than what the insurance company would owe under a policy or contract;

- 2) for any one life, regardless of the number of policies or contracts held with the same company, MLHIGA will cover a maximum of:
- a) \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;
 - b) \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values;
 - c) for health insurance:
 - i) \$300,000 in disability income insurance benefits or long-term care benefits;
 - ii) \$500,000 in basic hospital, medical, and surgical insurance benefits;
 - iii) \$100,000 in all other health insurance benefits.
 - d) In no event is the association obligated to cover more than an aggregate of \$300,000 in all benefits (other than basic hospital, medical, and surgical benefits) for any one life.

The limits mentioned above are applied per any “one life” per insolvent company.

As an example of this “one life” limitation, if you own three annuities with the same annuitant from the same insurance company, each worth \$100,000 and that company is declared insolvent and ordered liquidated, only \$250,000, **in total**, may be protected because that is the maximum amount protected under the MLHIGA Act for all annuities from a single insurer.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: for unallocated annuities that fund **governmental retirement plans only** under sections 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits per participating individual; for covered unallocated annuities that fund other plans, benefits are not available on an individual basis and a special limit of \$5,000,000 applies to the contract holder, regardless of the number of contracts held with the same company or number of persons covered by the plan. Coverage is dependent on plan sponsor having its principal place of business in Michigan. In all cases, of course, the contract limits also apply.

Exclusions from Coverage

Persons holding policies otherwise covered are not protected by MLHIGA if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not authorized to do business in Michigan.

The Association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate set by formula in the MLHIGA Act;
- dividends;
- obligations not arising from the express written terms of the policy or contract;
- insurer’s obligation to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets owned by benefit plan;
- interest determined by external reference that has not been credited to the policy or is subject to forfeiture;

- employers' plans that are self-funded (that is, not fully insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts, unless they fund a government lottery or a benefit plan of an employer, association or union, however, unallocated annuities issued to employee benefit plans protected by the federal Pension Benefit Guaranty Corporation are not covered. An unallocated annuity contract is an annuity contract or group annuity certificate which is not issued to and owned by an individual, except to the extent of an annuity benefit guaranteed to an individual by an insurer under the contract or certificate. The term shall also include, but not be limited to, guaranteed investment contracts and deposit administration contracts;
- policies issued by the following entities, even though licensed in Michigan: a nonprofit health care corporation, a health maintenance organization, a fraternal benefit society, a nonprofit dental care corporation (e.g. Delta Dental), a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, or an organization limited to the issuance of charitable gift annuities;
- a portion of a policy or contract to the extent that the assessments required by section 7709 of the MLHIGA Act for the policy or contract are preempted by federal or state law;
- a policy or contract providing any hospital, medical, prescription drug, or other health care benefits under Part C or Part D of Title XVIII of the Social Security Act, 42 USC 1395W-21 to 1395W-29 and 42 USC 1395W-101 to 1395W-152, or under regulations issued under Part C or Part D of Title XVIII of the Social Security Act, 42 USC 1395W-21 to 1395W-29 and 42 USC 1395W-101 to 1395W-152.
- MLHIGA **will not** provide duplicate coverage to **any** individual that is also covered by the laws of another state or another state's guaranty association.

CLAIM PROVISIONS

NOTICE OF CLAIM

Written or authorized electronic/telephonic notice of claim must be given to Us within 31 days after a Covered Loss occurs or begins or as soon as is reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to Us at Our Home Office in Bloomfield, Connecticut, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Subscriber's name and Policy number and the Covered Person's address, Policy and Certificate number.

CLAIM FORMS

We will send claim forms with written instructions for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing Proof of Loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

CLAIMANT COOPERATION PROVISION

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

PROOF OF LOSS

Written or authorized electronic Proof of Loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then Proof of Loss must be submitted within 90 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as was reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

TIME OF PAYMENT OF CLAIMS

We will pay benefits due under this Policy for any loss other than a loss for which this Policy provides any periodic payment not more than 45 days upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic Proof of Loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefits descriptions and any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us.

PAYMENT OF CLAIMS

All benefits will be paid in United States currency. All benefits payable under the Policy are payable to the Covered Person, if living. If the Covered Person dies while any of these benefits remain unpaid, We may choose to make direct payment to any of the Covered Person's following living relatives: Spouse, mother, father, child or children, brothers or sisters; or to the executors or administrators of the Covered Person's estate. Benefits for loss of life will be payable to the Covered Person's beneficiary named under this Policy, if any.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled.

Any payment made by Us in good faith pursuant to this provision will fully discharge Us, and release Us from all liability, to the extent of such payment.

YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

The Plan Administrator designates and names the Insurance Company the named fiduciary for deciding claims and appeals for benefits under the Plan. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by applicable law.

Claims for Disability Benefits (applies to all claims filed on or after April 1, 2018)

A disability "claim" is any claim which requires a determination of disability by the Insurance Company regardless of the type of policy under which it arises (for example, short/long term disability, waiver of premium, etc.). A disability claim is "filed" as of the date the Insurance Company first receives, in writing (including electronically) or by telephone (through the Insurance Company's intake department), notice that a claimant is seeking disability benefits under the Policy. The notice of claim received should provide the date of disability/loss, the claimant's name and address, and the group Policy

holder's name and address. Properly filed claims will be decided with independence and impartiality.

The Insurance Company has 45 days from the date it receives a claim for disability benefits to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if necessary due to matters beyond its control. The review period may be extended for up to two additional 30 day periods. If this should happen, the Insurance Company must provide its extension notice in writing before expiration of the current decision period, explaining the circumstances requiring extension and the date a decision is expected. If the extension is made because additional information must be furnished, the claimant has 45 days within which to provide the requested information and the time for the Insurance Company's decision shall be tolled (stopped) from the date on which the notification of the extension was sent until the date the Insurance Company receives the claimant's response or upon the date the requested information is required to be furnished expires, whichever is sooner.

During the review period, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company will notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice which will include the following information:

1. The specific reason(s) for the decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A description of any additional information required to perfect the claim, and the reason this information is necessary;
4. A description of the review procedures and the time limits applicable to those procedures, including a statement of the claimant's right to bring a civil action under section 502(a) of ERISA after the claimant appeals and after the claimant receives an adverse decision on appeal;
5. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the claimant to the Insurance Company of the health care professionals treating the claimant and vocational professionals who evaluated the claimant; (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the claimant's adverse benefit decision, without regard to whether the advice was relied upon in making the benefit decision; and (iii) a disability decision regarding the claimant presented by the claimant to the Insurance Company made by the Social Security Administration;
6. Either the specific internal rules, guidelines, protocols, standards or other similar plan criteria the Insurance Company relied upon in making the decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar plan criteria do not exist;
7. If the adverse decision is based upon medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Policy to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;
8. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits; and
9. A notice provided in a culturally and linguistically appropriate manner, to the extent required by ERISA.

Appeal of Denied Disability Claims (applies to all claims filed on or after April 1, 2018)

Whenever a claim decision is fully or partially adverse, unless ERISA provides otherwise, the claimant must appeal once to the Insurance Company. As part of the claimant's appeal, the claimant may receive, upon request, free of charge, copies of all documents, records, and other information relevant to the claim for benefits, and the claimant may submit to the Insurance Company, written comments, documents, records, and other information relating to the claim. The review will take into account all comments, documents, records and other information the claimant submits related to the claim, without regard to whether such information was submitted or considered in the initial claim decision. Once an appeal request has been received by the Insurance Company, a full and fair review of the claim appeal will take place.

A written request for appeal must be received by the Insurance Company within 180 days from the date the claimant

received the adverse decision. If an appeal request is not received within that time, the right to appeal will have been waived. The Insurance Company has 45 days from the date it receives a request for appeal to provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim and can extend the time for decision, once, by an additional 45 days. If this should happen, the Insurance Company must provide the extension notice, in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected. If the extension is made because additional information must be furnished, the claimant has 45 days within which to provide the requested information and the time for the Insurance Company's decision shall be tolled (stopped) from the date on which the notification of the extension was sent until the date the Insurance Company receives the claimant's response or upon the date the requested information is required to be furnished expires, whichever is sooner.

The review will give no deference to the original claim decision. The review will not be made by the person who made the initial claim decision, or a subordinate of that person. When deciding an appeal based in whole or in part upon medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment. Any medical or vocational experts consulted by the Insurance Company for the review will be identified and will not be the expert who was consulted during the initial claim decision or a subordinate of that expert.

During the appeal, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company will notify the claimant, in writing, stating what information is needed and why it is needed.

Before the Insurance Company issues an adverse benefit decision on appeal, if the Insurance Company considered, relied upon, or generated any new or additional evidence in connection with the claim, and/or if the Insurance Company intends to rely on any new or additional rationale in connection with that review, then such evidence and/or rationale will be provided to the claimant, free of charge, as soon as possible and sufficiently in advance of the date that the decision on appeal is required to be made, giving the claimant a reasonable opportunity to respond.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision on appeal is adverse, in whole or in part, the Insurance Company will provide written or electronic notice that includes:

1. The specific reason(s) for the decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits;
4. A statement describing any voluntary appeal procedures offered, and the claimant's right to obtain the information about those procedures;
5. A statement of claimant's right to bring a civil action under section 502(a) of ERISA, including a description of any applicable contractual limitations period that applies to the claimant's right to bring such an action, and the calendar date on which the contractual limitations period expires for the claim;
6. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the claimant to the Insurance Company of the health care professionals treating the claimant and vocational professionals who evaluated the claimant; (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse decision, without regard to whether the advice was relied upon in making the adverse decision; and (iii) a disability decision regarding the claimant presented by the claimant to the Insurance Company made by the Social Security Administration;
7. Either the specific internal rules, guidelines, protocols, standards or other similar plan criteria the Insurance Company relied upon in making the decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar plan criteria do not exist;
8. If the adverse decision is based upon medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Policy to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request; and
9. A notice provided in a culturally and linguistically appropriate manner, to the extent required by ERISA.

Claims for Non-Disability Benefits (applies to all claims filed on or after April 1, 2018)

A non-disability “claim” is any claim which does not require a determination of disability by the Insurance Company regardless of the type of policy under which it arises (for example, a death claim, an accident claim, etc.). A non-disability claim is “filed” as of the date the Insurance Company first receives, in writing or by telephone (through the Insurance Company’s intake department), notice that a claimant is seeking benefits under the Policy. The notice of claim should include the group Policy holder’s name, the Policy and Certificate number and the claimant’s name and address.

The Insurance Company has 90 days from the date the claim is filed to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if special circumstances exist. The review period may be extended for up to one additional 90 day period. If this should happen, the Insurance Company will provide the extension notice in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected.

During the review period, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician’s name and location. If additional information is required, the Insurance Company must notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice which will include the following information:

1. The specific reason(s) for the claim decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A description of any additional information required to perfect the claim, and the reason this information is necessary; and
4. A description of the review procedures and the time limits applicable to those procedures, including a statement of the claimant’s right to bring a civil action under section 502(a) of ERISA after the claimant appeals and after the claimant receives an adverse decision on appeal.

Whenever a claim decision is fully or partially adverse, the claimant must appeal once to the Insurance Company. The review will take into account all comments, documents, records and other information the claimant submits related to the claim, without regard to whether such information was submitted or considered in the initial claim decision. Once an appeal request has been received by the Insurance Company, a full and fair review of the claim appeal will take place.

A written request for appeal must be received by the Insurance Company within 60 days from the date the claimant received the adverse decision. If an appeal request is not received within that time, the right to appeal will have been waived. The Insurance Company has 60 days from the date it receives a request for appeal to provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim and extend the time for decision, once, by an additional 60 days. 4. A statement describing any voluntary appeal procedures offered, and the claimant's right to obtain the information about those procedures, and
5. A statement of the claimant's right to bring a civil action under section 502(a) of ERISA.
